*...in pursuit of control room operational best practice*

## **VICTORIAN DESALINATION PLANT; Wonthaggi**

The ACRNA invite members to a tour of the VICTORIAN DESALINATION PLANT in Wonthaggi, including control room and production facilities.

If there is interest we can convene to a local watering hole after the tour before heading back to home.

Please note, that Wonthaggi is optimistically 2 hours from Melbourne CBD - if enough tour attendees are originating from Melbourne CBD we can provide transport – to be advised.

Date: Thursday, 07 March 2024  
Time: 1300 - 1500  
Victorian Desalination Project  
400 Lower Powlett Road  
Wonthaggi VIC 3995

### **VICTORIAN DESALINATION PLANT; located in Wonthaggi**

[Water transfer pipeline:  
two-way pipeline that provides  
desalinated water.](#)

The desalination plant – comprising 29 buildings including the reverse osmosis building, the heart of the VDP - with a design capacity of over 160 billion litres of water a year.

Control Room and facilities
